VICTORY NEAR ... BUT NOT QUITE THERE!

At the Nov. 8, 2001 Commissioners meeting, the TLC staff had hoped that the Commissioners would accept a compromise and proceed to adopt the rule but with "a different focus" ... Kim Kiplin said, ... *"It's my understanding that the staff is recommending a different focus on this rule-making today and it's to pay the greater of the two amounts, that being the advertised jackpot amount or the amount that's based on sales in taking into consideration the appropriate applicable interest rate factor."* Those in the room thought we had a victory - but until we get the word "shall" back in the rule, the unclaimed prize monies back and the 3 of 6 prize allocation lowered, we do not have a clear victory.

You see, when Comptroller Sharp wrote the original rule in 1993, which he said was written to "ensure the integrity of the state of Texas," he included mandatory language that made the division of the monies distinct. For example, regarding the Reserve Fund, the original rule said, *"The Lotto Texas prize reserve fund may be increased or decreased by any amount allocated to the prize pool and not paid to the winner. For example, rounding down prizes not claimed within 180-day claim period and roll-over amounts from the fourth prize."*

This language specifically says the reserve fund shall increase or decrease by roll-overs from the 4th prize - not 1st and 4th - and it places the unclaimed prize money in the reserve fund too. The reserve fund is included in the 55% of sales that "shall" be paid to the players. Without this money, players aren't receiving our allocated share of sales - the 55% of sales.

Comptroller Sharp's original rule also specified, *"The direct category contribution shall be 64% of the prize pool for the drawing."* But in 1996, the TLC changed the word "shall" to "may." I read the transcripts from the 1996 Commissioners meeting where Ms. Kiplin described the proposed rule change to the Commissioners. I discovered that she never told the Commissioners of the word change from "shall" to "may" nor did she ever specifically tell the Commissioners they were changing the annual pay from 20 years to 25 years. She told the Commissioners that the main thrust of the proposed change was to allow them to offer the Cash Value option. This was the main topic of discussion and it was the main topic the day they adopted the rule too.

Also noteworthy to mention, I filled out a Witness Affirmation Form requesting to address the Commissioners with new information. Upon being called by the Commissioners early in the meeting, Kim Kiplin said, *"Mr. Chairman, I will tell you that if you receive comment today on the Subchapter D game rules, I do not believe that if that comment is new and it's pretty -- this is, you know, go through the draft, the pages right now, it will be difficult for me to go through and see whether that's a new comment. I don't believe you'd be in a position of adopting this rule today because the comment would have to be incorporated and the agency would have to respond to that as part of the preamble of the order that you would have to sign at the time that you adopt."* They over-ruled her and I did speak.

The bottom line is, the Commissioners insisted the proposed rule be withdrawn and re-written. So, the TLC will be posting a new proposed rule and we will enter into another 30 day comment period. FYI, Ms. Kiplin tried to convince them that the changes were not substantive enough to make them republish and start all over. The Commissioners did not agree and neither did I. ♦

IMPORTANT

For Lotto Texas, there are 25,827,165 combinations in picking 6 out of 54 numbers. For Cash 5, there are 575,757 combinations in picking 5 out of 39 numbers. And for Texas Two Step, the odds in picking 4 out of 35 then 1 out of another 35 numbers is one in 1,832,600. So, please don't overspend trying to "beat the system" with any statistics. The Texas Lottery offers GAMES and we urge you play them as such. The information contained in **THE LOTTO REPORT** are real statistics, however, any number can come out of the "hoppers" at any time. Someone will win - it could be you and it could even be me. But please, don't spend all your money playing the games. The risks are too great.

While we try to keep all the information accurate and in perfect order, I have learned after 25 years in publishing that errors, typos and the such can happen. We assume no liabilities for any errors, losses or damages. Anyway, your purpose is to win a game, and games are not suppose to be harmful, either mentally or financially.

We urge you to use this report as a challenge for fun - Nothing more. Who knows, maybe you will win. Best of luck.

PITTSBURG MAN BUYS COFFEE AND WINS BIG!

Hollis Panell of Pittsburg (we have one in Texas too) went into Village Grocery to buy a cup of coffee. He noticed that the number for the Weekly Grand ticket in the dispenser ended in a zero.

"I always like the ticket to end in a '0' or a '1'," said Panell. "I bought five of them because the one in the window ended in a zero."

Panell returned to work and a few minutes later realized his system had paid off - BIG! He scratched the second section of the Weekly Grand ticket, saw the three GRAND symbols and told his boss, "I can't work the rest of the day." According to Panell, when his boss asked him why, he showed her the ticket and she said, "I don't blame you!"

Panell explained that he only told his boss, Pam Hazelwood, and friend, Frank Parker, about the winning ticket.

"Everybody thinks we're in Waco today looking at a building job," said Parker, who accompanied Panell to Texas Lottery headquarters in Austin to claim the Weekly Grand top prize.

"I'll tell them all about it when we get back," Panell joked.

The scratch off ticket, which started in 1995, pays a top-prize of \$1,000 a week for 20 years. The total payout comes to \$1,040,000.

For selling a top-prize winning Weekly Grand ticket, Village Grocery owners are eligible to receive a bonus of \$10,000. The store is located at 630 Quitman in Pittsburg.

"I buy my tickets at two different places," said Panell. "After getting that Weekly Grand ticket on Saturday, I went to the other store the next day and bought a Break the Bank ticket. I won \$200 on that one!"

Panell told lottery officials he plans on looking for a house or possibly building one. He also said, "There will be a lot more fishing and hunting in his future."

This makes the 51st Weekly Grand top-prize winner since the game started. It has been reissued a total of seven times.

WHERE, OH WHERE, IS THE WINNING TICKET?

Time is running out. It has been four months already and no one has stepped forward to claim the jackpot from the Lotto Texas drawing held June 23, 2001. The clock is ticking for whomever holds the single ticket that matched all six numbers for the \$13 million jackpot. Claimants have 180 days from the date of the drawing to claim a prize.

The winning ticket was purchased in Humble at Copperfield Liquor #6, located at 7540 FM 1960 East.

The only Lotto Texas jackpot ever to go unclaimed was six years ago in April of 1995. The \$12.4 million jackpot-winning ticket was purchased in Flower Mound for the drawing held October 26, 1994. ♦

We've always been told to be grateful for what we have and to count our blessings. I think that message has certainly been re-inforced and proven to be one of the greatest statements ever made. From myself and my family, we wish you and your family a Safe & Happy Thanksgiving. It is definitely a time to give thanks for being where we are and for having the freedom that we do.

God Bless You All

The Numbers

My recommendation for choosing Lotto and Cash 5 numbers is to select one number you believe will be drawn. I call this a "target" number. Then I would select the numbers that have been drawn with the "target" number the most. This information is shown in the paragraph below the drawings for each number. If you'll watch, you'll see where you could have won 'something often' if you had chosen the right target number. Shown below is each number and the times it was drawn since Nov. 18, 2000 in the Lotto and Sept. 10, 2001 in the Cash 5.
