

## A Message of Thanks

The following pages is the current edition of the **Lotto Report**. It is completely current - its stats include drawings through last night's (4-20-02) drawing - that's how current it is. It ready for you to pick the right numbers for the \$17 million Lotto Texas drawing!

Normally I sell the **Lotto Report** but I wanted to do something special for ya'll. The reason, because so many of you have taken your valuable time to comment on the current rule change and because you've so graciously thanked me for the work I do. But most importantly, because so many of you have sent your prayers that I have a speedy recovery from the surgery that I've just recently had. Just so that you know it, I'm doing well, I'm slow and I tire easily, but I'm really well under the circumstances. This is why I haven't added much to my web site lately - I really can't sit at my computer for very long at a time. Anyway, enough of that.

The Commissioners will meet on Thursday, April 25 and they could vote this new Cash 5 rule in. However, if they do, they will be going **against** the people **again**. Especially regarding the issue of the \$2 prize and the 6 draws per week which almost all of you opposed. I was surprised at how many of you were opposed to reducing the number of balls to 37 though I understand why. Personally, I don't care if they do or don't reduce the number of balls. This issue has it pro's and con's. Reducing the balls would create more winners but at the same time it would hurt our stats that we've worked hard to obtain.

At any rate, I will have my letter off to them by fax tomorrow and will include a large sampling of your comments. This will include comments received by US mail, by fax, by email and those that were submitted from my web site. Due to my condition, I have not been able to count and tally all that I have but, I can assure you, we have a ton of comments. And I thank you for that. I'm hoping the Commissioners will listen to the people this time. We'll see if they do.

One more comment. Be sure and read the editorial in this edition of the **Lotto Report** about the unclaimed prize monies - There were no winners stories so I was finally able to publish these facts for you. I believe, after you read the story, that you will agree with me that this money belongs to the players. PERIOD. To change this, our legislators will have to hear from us because the TLC won't stand up and speak for us. Let me know what you think. E-mail links can be found on my web site.

# WINNERS & TIDBITS

Only one winner, the April 6, 2002 \$34 million winner, has not claimed their prize so we have no winners stories for you this time.

## TIDBITS - THE UNCLAIMED PRIZE FUND

Before I get into the unclaimed prize fund, I want you to understand how lotteries work. They're really not complicated - they're as simple as adding 1 + 2.

Each drawing is a separate event, whether it be Lotto Texas, Cash 5 or Texas 2 Step. Because these games are "pari-mutuel" - unlike Pick3 - the prize amounts are figured in the same exact way as a commissioned sales person figures his earnings - he gets a percentage of sales.

Using Lotto Texas as an example, for each drawing they have total sales - just like when a salesperson makes one sale. From the total sales, the TLC "claims" they return 55% of sales to the players, called the "prize pool," and the TLC's commission from sales is 45% - PERIOD.

Now, out of the 55% of sales that "belongs" to the players, there are 4 prizes that can be won so each prize category - the 3 of 6, 4 of 6, 5 of 6, and 6 of 6 gets a certain percentage of the 55%. This is called "allocating" the funds.

But the truth is, the TLC actually allocates five (5) categories because they put 2% in what they call the "reserve fund." Originally, the "reserve fund" was intended to be used in case there wasn't enough money allocated to pay the guaranteed 3 of 6 prizes. Makes perfect sense except they allocate too much money for the 3 of 6 "prize category" resulting in excess money not only in the reserve fund, but also in the 3 of 6 prize category fund.

This same principal applies to the Texas 2 Step game. But the Cash 5 game has no "guaranteed prizes" so it has no reserve fund and the TLC literally divides 50% of sales among the winners. A very fair game.

At any rate, besides the simple little fact that they "over allocate" the guaranteed prizes, they also keep what's in the reserve fund. Several years ago the Reserve Fund had sooooo much money in it that the legislators made the TLC transfer the funds to the state.

Now comes the "unclaimed prize fund" which is still part of the "prize pool" - that 55% pay back they "claim" they return to players. It consists of money that "winners" never collected. When you look at these figures, ask yourself how this many people could fail to collect their winnings.

Personally, I see two reasons for these huge sums - scratch games are too complicated for the players to readily see that they won and the terminals are failing to show online and scratch tickets as winning tickets when they are in fact, winners. It's unfortunate that players have no idea that they have a winning ticket because they don't check their own tickets but rather depend on the terminals to tell them if they have a winning ticket.

The TLC is aware of this flaw, yet they have done nothing to protect and insure the players. This problem just happens to be one that is quite simple to correct and the retailers would love the solution.

Wouldn't you call this a "scam" too? Now look at the unclaimed figures and keep in mind that this money comes from the players "prize pool."

# The Numbers

**My recommendation for choosing Lotto and Cash 5 numbers is to select one number you believe will be drawn. I call this a "target" number. Then I would select the numbers that have been drawn with the "target" number the most. This information is shown in the paragraph below the drawings for each number. If you'll watch, you'll see where you could have won 'something often' if you had chosen the right target number. Shown below is each number and the times it was drawn since April 21, 2001 in the Lotto and Feb. 7, 2002 in the Cash 5.**
