LOTTO TEXAS

On April 23, 2006 the TLC changed Lotto Texas from bonus ball matrix back to a 6/54 matrix. Back in July 2000, when they originally changed to the 6/54 game, they bought all new machines and balls. They've used these same balls and machines for both the 6/54 game and the bonus ball game. The balls, originally named 7, 8, 9, 10, 11, were renamed 12, 13, 14,

15, 16 for the bonus ball game. Now that they've gone back to the 6/54 game, the balls have gone back to their original names.

THE WINNERS

DALLAS ENTITY CLAIMS \$82.5 MILLION

SB Alchemy Holdings, Ltd., of Dallas has claimed a jackpot prize of \$82.5 million, one quarter of the August 31 \$330 million Mega Millions jackpot, which was shared with three other tickets sold outside Texas.

"We're glad to see the Texas claimant has at last come in to take a share of one of the highest-ever Mega Millions jackpots," said Texas Lottery Commission Executive Director Anthony J. Sadberry. "We were concerned when we didn't hear anything from anyone for nearly two months because several years ago a \$13 million Lotto Texas ticket purchased in Humble was not claimed by the 180-day deadline, so there's some history there to give us pause to think. A few weeks ago, however, we got the call, and we're happy to award this prize."

The value of this annual-payments-option ticket is \$82,500,000 over 26 years, and was paid with an initial payment of \$3,175,000 and continues with 25 annual payments of \$3,173,000.

"I requested a photograph of the ticket before I was willing to get too far into this," I. Scott Carter, representative of the legal entity, said of his client that claimed the prize. "You always want to ensure you can check the ticket on the Lottery's Web site to get a solid idea about its veracity."

Carter said his client decided to "go south" to celebrate getting the prize.

"As a result of the Texas and Texas Tech game this weekend, you couldn't find a hotel room in Austin to save your life," Carter said. "The winner was in San Antonio to enjoy the Riverwalk and to celebrate receiving the prize."

Carter said his client preferred to do only minimal publicity and chose him to speak on its behalf.

The ticket was sold at Krogers, 19300 West Lake Houston Parkway, in Humble. Lottery officials participated in a public ceremonial check presentation with administrators of the Kroger Food Store in Humble. The store received \$825,000, the one-percent bonus share of the jackpot prize, to which the store is entitled for having sold this ticket.

The numbers drawn were 8-18-22-40-44 Bonus 11.

MESQUITE PLAYER CLAIMS \$1 MILLION

When she purchased the ticket, Justice Torres of Mesquite had no clue the Weekly Grand scratch off was about to change her life. In fact, she doesn't know exactly why she picked that ticket except that it fit her price range and looked interesting.

"I had a little extra money so I grabbed it," she said. "I scratched it right there and then scanned it on the machine."

The ticket showed the top-prize of \$1,000 per week for 20 years.

"I think the most I won before was \$4, never more than \$10," explained Ms. Torres.

Certainly, winning an annuitized prize which will eventually total more than \$1 million impressed Ms. Torres. However, she has not let the excitement go to her head.

"I've made a lot of plans," she said. "I may go to school, get a car. It will help me get on my feet."

For her part, Ms. Torres does not plan to stop at winning this top prize. She says she'll continue playing Texas Lottery scratch-off tickets whenever she has a little extra money to spend.

Without a doubt, the Storm Gas Station located at 1320 Gross Road in Mesquite hopes she will continue to bring her good luck to their location. By selling the winning scratch-off, the retailer became eligible to receive a bonus of \$10,000.

The Numbers

My recommendation for choosing Lotto & Cash 5 numbers is to select one number you believe will be drawn. I call this a "target" number. Then I would select the numbers that have been drawn the most with your "target" number. This information is shown in the paragraph below the drawings for each number. If you'll watch, you'll see where you could have won 'something often' if you had chosen the right target number. About Lotto Texas - Since they've gone back to the 6/54 matrix now, we're showing the history of numbers 45 through 54 as they were before the game changed to 5/44 & 1/44.
