Subject: MM Jackpot Payment & TLC App Agreement

10-12-16

Kelly & Gary,

As we both know, Texas had a \$49 million MM winner last night. I need to obtain a copy of the jackpot payment document that the TLC should have received this morning from the Comptroller. The TLC does not post this information on Mega Millions anymore. But I need it to post the actual figures and factors on my site today.

Yesterday I received a press release regarding the TX App for players. I would like to receive a copy of the agreement consumers sign prior to downloading the app to their phones. I've read it but can't print a hard copy from my phone.

I don't feel that either of these requests for information should require an open records request so I'm

Printed for Dawn Nettles <lottoreport@tx.rr.com>
