

THE LOTTERY INFORMER

REMAINING SCRATCH TICKETS - TEXAS LOTTERY

Below you can see how many winning unclaimed scratch tickets remain unclaimed, the total tickets printed (Pr), the games start date and the "redeem date." Tickets have a "start date," a "call date," a "close date" and a "redeem date." The "call date" means G-Tech reps have 60 days to bring in all the remaining tickets from the stores. The "close date" is the date that no one should be able to purchase the ticket. The "redeem date" is 180 days later - the last day anyone can ever collect on a ticket they possess. The number before the "/" shows how many total prizes the game originally had. This information is current as of **July 23, 2010**.

** Unclaimed prize figure not changed since 07-10-10 **

Tickets Selling With NO Top Prizes Remaining Save YOUR Money!
